Dear Kim,

this is to announce, that Jenny Camp from Clinimetrics is a new Program Manager for PM USA clinical studies monitoring. She will be responsible for planning and overseeing the monitoring visits to MDS. She will also serve as a point of contact for any communication between Clinimetrics, MDS and PM USA. Since Jenny is planning to be in LNC for the next monitoring visits (scheduled for March 2nd, 2004) I strongly advice her to meet you in person. This visit should serve as an excellent start for the new and improved communication for all of us.

Please joint me to wish Jenny all the best in her new position.

Thanks for cooperation

Regards Maria
